

CARITAS

WHAT IS CARITAS?

Caritas is a charity organization in our school. Our mission is to support local projects to meet the needs of the poor and disadvantaged. We focus our activities on poverty, social exclusion and inequality as well as migration in our area.

Our campaigns are largely funded by donations from individual students, teachers and local communities. We animate our school and local communities in Gorzów and all people of good will in solidarity with the suffering around the region. We encourage our students to respond to natural disasters or conflicts and to promote integral human development .

We share the mission of the Catholic Church to serve the poor and to promote charity and justice. We are inspired by the teachings of the Catholic Church .
